Product information

The FD84 Food Wellington offers an antibacterial liner and is resistant to oils, fats, organic solvents and a variety of chemicals, making it ideal for use in the food industry. The raised contouring aids better abrasion resistance while the robust construction ensures no breaking or cracking in extreme weather conditions.

Portwest® Pro

A premium range of safety footwear manufactured using only the best materials and components. Constructed to provide unbeatable comfort, support and flexibility, this range is designed to protect your feet in the toughest environments.
