

FP12 - Portwest 2 Point Harness

Collection: Harnesses

Range: Height Safety

Materials: Polyester Webbing, Alloy Steel, Heat Treated

Outer Carton: 12

Product information

Lightweight harness with a sliding dorsal D-Ring. Features two chest loops and an adjustable quick release chest strap. Constructed using polyester webbing straps.

Harnesses

Portwest harnesses are required to ensure protection when working at height. Our range of harnesses offer different connection points that can be used in a variety of job functions such as fall arrest, work positioning, suspension and rescue.

Height Safety

Height Safety is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of Height Safety products for working at height.

Standards

EN 361:2002
