### Product information

This full body harness, with a breathable contoured backpad, provides ultimate comfort and safety when working at height. Featuring an extended D-Ring shoulder strap arrangement for easy dorsal fittings and two side D-rings.

### Harnesses

Portwest harnesses are required to ensure protection when working at height. Our range of harnesses offer different connection points that can be used in a variety of job functions such as fall arrest, work positioning, suspension and rescue.

### Height Safety

Height Safety is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of Height Safety products for working at height.
