

FP18 - Portwest 3 Point Comfort Plus Harness

Collection: Harnesses

Range: Height Safety

Materials: Nylon Webbing, Alloy Steel, Heat Treated

Outer Carton: 6

Product information

This universal harness incorporates all fall arrest and protection needs in one. Features include two chest loops, two side D-rings, sliding dorsal D-ring, two seating loops and two lower back rings. Fully adjustable with shoulder, back and seat padding for extra comfort.

Harnesses

Portwest harnesses are required to ensure protection when working at height. Our range of harnesses offer different connection points that can be used in a variety of job functions such as fall arrest, work positioning, suspension and rescue.

Height Safety

Height Safety is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of Height Safety products for working at height.
