### Product information

This universal harness incorporates all fall arrest and protection needs in one. Features include two chest loops, two side D-rings, sliding dorsal D-ring, two seating loops and two lower back rings. Fully adjustable with shoulder, back and seat padding for extra comfort.

### Harnesses

Portwest harnesses are required to ensure protection when working at height. Our range of harnesses offer different connection points that can be used in a variety of job functions such as fall arrest, work positioning, suspension and rescue.

### Height Safety

Height Safety is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of Height Safety products for working at height.
