### Product information

A versatile tool lanyard which prevents falling objects from a height. Specifically designed to be interchangeable, suitable for quick and easy exchanges of multiple tools. Safe Working Load 1kg

### Tool Lanyards

The Portwest collection of Tool lanyards are an essential form of fall protection for anyone working at height. These items prevent tools from becoming dangerous falling objects and a safety hazard when working at height.

### Height Safety

Height Safety is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of Height Safety products for working at height.
