Product information

This bib and brace is constructed with high visibility reflective tape double stitched for enhanced durability. Features include triple stitched seams, high visibility strips on the legs, two front patch pockets, one rule pocket, one front chest pocket, one back pocket with flap and stud closure and adjustable bottom leg opening.

Bizflame® Work

BizFlame® Work Jacket, Pants and Bib and Brace have been developed and designed using the highly innovative Bizflame® Work flame resistant fabric with added anti-static properties. Certified to a range of international standards, these styles are perfect for the demands of the offshore and welding industry. Triple stitching and brass zippers throughout for extra strength and durability.

Flame Resistant

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
