Product information

Constructed using a lighter weight highly innovative flame resistant BizFlame Work fabric.

Bizflame® Work

BizFlame® Work Jacket, Pants and Bib and Brace have been developed and designed using the highly innovative Bizflame® Work flame resistant fabric with added anti-static properties. Certified to a range of international standards, these styles are perfect for the demands of the offshore and welding industry. Triple stitching and brass zippers throughout for extra strength and durability.

Flame Resistant

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
