Product information

This inherently flame resistant two-tone fleece offers exceptional warmth and comfort. The high quality anti-pill finish maintains the look of the garment for longer. Clever features include contrast panels for protection against dirt, two side zipped pockets, elasticated cuffs and an adjustable drawcord hem.

Modaflame™ Knit

Constructed from an inherently fire resistant yarn of 60% Modacrylic, 39% Cotton and 1% Carbon Fibre. Modaflame $^{\text{\tiny TM}}$ Knit is strong, durable, and highly innovative. The high performance fibres are blended without any chemical treatment giving Modaflame $^{\text{\tiny TM}}$ Knit it's unparalleled soft, natural touch and appearance.

Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
