Product information

Contemporary FR work trouser made from our inherent Modaflame 280gm fabric. Innovative design features like stretch panelling provide excellent comfort and flexibility in key movement areas. Other practical features include waistband with side elastication, knee pad pockets that offer extra protection in all working conditions, embroidered FR logos and multiple pockets that provide secure storage.

WX3

Portwest WX3™ technical strong workwear balances comfort, versatility and aesthetics. Products are designed to the highest standards and offer a solution for everyday activity and working environments. Constructed with cutting edge fabrics giving superior abrasion resistance and exceptional all-day comfort. Ingenious design solutions on fastenings and pocketing systems give unrivalled fit and security.

Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
