#### Product information

Innovative PW3 FR Hi-Vis Womens' trousers incorporating high performing two-way stretch fabric to give maximum range of movement when working. Clever features include top loading knee pad pockets and an easy access multi-way thigh pocket for secure storage of phone, keys and tools. FR reinforcement fabric at key abrasion points for maximum durability. This garment features additional tailoring around the waist and hips ensures maximum comfort over long periods of time. Designed in line with the average women's height and leg length measurements reduces the risk of trip and snagging.

#### PW3

Utilising premium fabrics, products are engineered for flexibility across a diverse range of industry and trade end uses and offer exceptional value.

#### Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
