Product information

This FR Chemical Resistant Bib and Brace is fully certified to EN13034 and offers excellent protection against chemicals, as well as flame resistant protection. Constructed in a superior cotton fabric which is treated for ultimate durability. Features include a secure stud and zip front metal free front closure. Pair with our FR609 FR Chemical Resistant Jacket to finish the look.

Bizflame™ Work

BizFlame™ Work has been developed and designed using the highly innovative Bizflame™ Work flame resistant fabric with added anti-static properties. Certified to a range of international standards.

Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
