

#### **PRODUCT SPECIFICATION & TECHNICAL DATASHEET**

## FR50 - Bizflame Work Anti-Static FR Coverall 350g

Collection: Bizflame® Work Range: Flame Resistant Shell Fabric: Bizflame Work: 99% Cotton, 1% Carbon Fiber, 350g Outer Carton: 10

## **Product information**

This coverall is perfect for the demands of the offshore industry. Constructed with a highly innovative flame-retardant fabric with high visibility reflective tape double stitched for enhanced visibility. Meeting all the required EN standards, features include triple stitched seams, high visibility strips on shoulders, arms and legs, concealed 2-way front brass zip and two front slant chest pockets with concealed brass zips.

#### **Bizflame® Work**

BizFlame® Work Jacket, Pants and Bib and Brace have been developed and designed using the highly innovative Bizflame® Work flame resistant fabric with added anti-static properties. Certified to a range of international standards, these styles are perfect for the demands of the offshore and welding industry. Triple stitching and brass zippers throughout for extra strength and durability.

#### **Flame Resistant**

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
