#### Product information

PW3 FR Hi-Vis Winter Coverall has excellent FR properties, protection against rain and chemicals, and a high ARC rating making it the ideal choice when versatile protection is required. This contemporary FR two tone Hi-Vis coverall features the latest innovative design and is both stylish and practical. The coverall features a removable helmet-compatible adjustable hood with a shaped peak, adjustable cuffs, bottom loading knee pad pockets, & zipped side leg openings.

#### PW3

Utilising premium fabrics, products are engineered for flexibility across a diverse range of industry and trade end uses and offer exceptional value.

#### Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
