#### Product information

This Winter FR Coverall is perfect for the demands of the offshore industry. Constructed with the same outer fabric as the FR50 and combined with a layer of insulation and FR cotton lining for extra warmth. Meeting all the required standards, features include triple stitched seams, concealed 2-way front brass zip and two front slant chest pockets with concealed brass zips. The garment also has knee pad pockets designed with an innovative two tier adjustable system.

#### Bizflame™ Work

BizFlame™ Work has been developed and designed using the highly innovative Bizflame™ Work flame resistant fabric with added anti-static properties. Certified to a range of international standards.

#### Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
