Collection: Bizflame™ Denim Stretch

Range: Flame Resistant Multi-Norm

Shell Fabric: Bizflame Denim Stretch: 98% Cotton, 2% Elastane, 340g

Outer Carton: 20

Product information

Offering a durable lightweight alternative to our workwear trousers, the stretch in these FR denim jeans allow the wearer to flex, bend and move with full comfort. The straight, traditional fit with a leg opening wide enough to fit over work boots, look great both on and off the job

Bizflame™ Denim Stretch

Bizflame™ Denim is high-technology fabric constructed from 98% Cotton, 2% Elastane 350g. The highly durable cotton and dynamic stretch blend provides maximum range of movement in active use. Classically designed for long lasting performance and to allow for a full crossover from work to leisure activity.

Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
