Product information

Made from stretch cotton denim for maximum flexibility and durability. The jean has dual hazard protection and multiple pockets. The wide leg of the pants fits comfortable over work boots.

Bizflame® Denim Flex

Bizflame® Denim Flex is a highly technical fabric constructed from 98% Cotton, 2% Elastane 10oz. The highly durable cotton and dynamic stretch blend provides maximum range of movement in active use. Classically designed for long lasting performance and to allow for a full transition from work to leisure activity.

Flame Resistant

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
