

FR58 - FR Anti-Static Winter Salopettes

Collection: Bizflame™ Work

Range: Flame Resistant Multi-Norm

Shell Fabric: Bizflame Work: 99% Cotton, 1% Carbon Fibre

Outer Carton: 12

Product information

This Winter FR Bib and Brace is perfect for the demands of the offshore industry. Constructed with the same outer fabric as the FR50 and combined with a layer of added insulation and FR cotton lining for extra warmth. Meeting all the required standards including the welding standard. Features include triple stitched seams, high visibility strips on the legs, concealed front brass zip and size leg zips to allow for room when putting on over large boots.

Bizflame™ Work

BizFlame™ Work has been developed and designed using the highly innovative Bizflame™ Work flame resistant fabric with added anti-static properties. Certified to a range of international standards. Triple stitching and brass zips throughout for extra strength and durability.

Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
