#### Product information

Contemporary FR work jacket made from our lightweight Bizflame Plus fabric. Innovative design features like stretch panelling provides excellent comfort and flexibility in key movement areas. Other key features include metal free components, pre-bent sleeves, longer back length, adjustable cuffs, reflective FR logos, and multiple pockets for ample storage.

#### WX3

Portwest WX3™ technical stretch workwear balances comfort, versatility and aesthetics. Products are designed to the highest standards and offer a solution for everyday activity and working environments. Constructed with cutting edge fabrics giving superior abrasion resistance and exceptional all-day comfort. Ingenious design solutions on fastenings and pocketing systems give unrivalled fit and security.

#### Flame Resistant

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
