

### FR66 - Bizflame Industry FR Trousers

**Collection:** Bizflame™ Industry

**Range:** Flame Resistant Multi-Norm

**Shell Fabric:** Bizflame Industry: 80% Cotton, 19% Polyester, 1% Carbon Fibre

**Outer Carton:** 16

#### Product information

Designed to perform in the toughest conditions, this trouser combines hardwearing comfort with superb functionality. Made using durable fabric that withstands industrial washing, retaining shape and colour over the lifetime of the trousers.

#### Bizflame™ Industry

Bizflame™ Industry has been developed to perform in the toughest conditions. Ideal for industries such as oil and gas where durability is a must, Bizflame™ Industry is certified to a range of EN standards offering optimum protection in a range of hazardous situations. Styles in this range are metal free, minimising the risk of static electricity hazards and of damage to surfaces. Bizflame™ Industry FR polyester has been made from recycled fibres thereby reducing the production carbon footprint and working towards a sustainable future.

#### Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
