# **Product information**

Designed and tested by women, this FR715 is the women's version of FR714. Made from our renowned Modaflame<sup>TM</sup> Inherent fabric for a multirisk environment. Clever design features include stretch panels, multiple zipped pockets for secure storage. These garments feature additional tailoring around the waist and hips ensures maximum comfort over long periods of time. Designed in line with the average women's height and arm length measurements reduces the risk of trip and snagging.

#### PW3

Utilising premium fabrics, products are engineered for flexibility across a diverse range of industry and trade end uses and offer exceptional value.

#### Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
