Product information

Designed specifically for workers in the oil & gas and manufacturing industries, this lightweight FR uniform shirt offers a tailored and professional look with compliance to both US & EU standards. Topstitched cuffs, tailored sleeve placket and straight back yoke look sharp and professional while offering full protection

Araflame Plus™

The Araflame range has been developed for comfort and performance. Certified to several international standards, these garments offer outstanding protection at all times. The high quality fabric combined with the ergonomic fit provide all day comfort and style.

Flame Resistant

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
