#### Product information

This polo shirt offers superb protection across multiple standards. The lightweight fabric uses a unique blend of fibres which combine to offer optimum protection with excellent breathability and moisture management. Features include contrast navy and rib cuffs for comfort and practicality.

#### Modaflame™ Knit HVO

Modaflame™ Knit HVO provides inherent flame resistance, high visibility and anti static protection. The high performance fibres are blended without any chemical treatment giving Modaflame™ Knit HVO it's unparalleled soft, natural touch and appearance.

#### Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
