Product information

This hi-vis anti-static coverall has a concealed brass zip on each chest pocket and front opening. This coverall offers the optimum solution for those in a service position.

Bizflame™ Work HV

The multi-risk protective clothing combines a wide usability with optimal safety and protection for the wearer. The fluorescent colour and flame-resistant reflective striping protect the wearer in situations of poor visibility. Triple stitched seams for ultimate construction quality. High quality brass zips throughout and industrial wash flame resistant reflective tape. Multiple pockets offer secure storage and convenience on the job.

Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
