Product information

A modern take on safety footwear. The FT08 Compositelite Wire-Lace safety trainer offers excellent protection with a technical added element. The wire-lace system allows faster lacing and release from the footwear, enabling quick access and changeovers. The wire-lace system also adds a more supportive, even fit to accommodate varied foot shapes. This model includes a lightweight knitted upper that is breathable- brilliant for dry and warm conditions.

CompositeLite

A premium range of safety footwear which is lightweight and flexible. Portwest Compositelite™ footwear contains non-metallic protective toecaps and/or non-metallic protective midsoles.

Foot Protection

Innovation, quality components, styling and expert construction define the Portwest footwear collections.
