FT08 - Compositelite Wire Lace Safety

Trainer Knit

Collection: Wire Lace System

Range: Foot Protection

Material Upper: Knitted Upper Material Outsole: PU/PU

Outer Carton: 12

A modern take on safety footwear. The FT08 Compositlite Wire-Lace safety trainer offers excellent protection with a technical added element. The wire-lace system allows faster lacing and release from the footwear, enabling quick access and changeovers. The wire-lace system also adds a more supportive, even fit to accommodate varied foot shapes. This model includes a lightweight knitted upper that is breathable- brilliant for dry and warm conditions.

The innovative wire lace system is designed with double strength wire for excellent durability. Features include a raised texture on dial for better fastening grip, rubberized dial chassis for better abrasion and a quick release push/pull locking clasp. Engineered central cavities aids wire tension across the vamp of the shoe and is specially positioned on the shoe to ensure a leveled, all-over, comfortable fit.

Foot Protection

Innovation, quality components, styling and expert construction define the Portwest footwear collections.

Features

- Certified
- UKCA marked
- 200 joule composite toecap
- Pierce resistant composite midsole
- Anti static footwear
- Fuel and oil resistant outsole
- Energy Absorbing Seat Region
- Quick release wire lace fastening system, engineered to give an overall secure fit
- \bullet SRC Slip resistant outsole to prevent slips and trips on ceramic and steel surfaces
- Dual density sole unit
