

PRODUCT SPECIFICATION & TECHNICAL DATASHEET

FV01 - Rafter Composite Boot S7S SR FO

Range: Foot Protection
Material Upper: Cow Suede
Material Outsole: PU/PU

Inner Pack: 1 Outer Carton: 6

Product information

The FV01 Compositelite Rafter Boot, incorporates numerous protective features, such as the 360 degree protective sole cage and heavy duty scuff cap protecting your feet from side impacts. The reflective lace, side strip and pull loop increase visibility in low lighting conditions. The boot boasts a semi-permeable waterproof membrane throughout and a bellows tongue construction ensuring that your feet stay comfortable and dry in wet conditions. The use of a composite toecap and the penetration resistant non-metallic midsole ensures a lightweight, durable construction. The shoe has front and rear pull tabs for ease of pulling onto the foot.

Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.
