Product information

Blending style, protection and functionality, this boot offers a water resistant membrane ensuring superior protection in wet conditions. The sole construction offers support and protection to the wearer. Steel toe cap and anti penetration steel midsole. The use of steel toecap and the penetration resistant steel midsole ensures a durable construction. The shoe has front and rear pull tabs for ease of pulling onto the foot, and a reflective panel for use in low light conditions.

Steelite™

A superb range of safety footwear manufactured using the finest materials and components. Steelite footwear contains protective steel toecaps and/or steel midsoles.

Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.
