Product information

Classic laced safety shoe with padded collar for all day comfort. Minimal design makes this shoe practical, safe and durable.

Steelite™ Microfibre

The Steelite Microfibre Food and Medical Industry products are manufactured from high quality microfibre, which is water resistant and machine washable. The single density polyurethane outsole has been developed to self-clean which prevents cross contamination whilst providing excellent slip resistance.

Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.

Standards

EN ISO 20345:2022 S2
