#### Product information

This lightweight microfibre style offers superb close fit and comfort in a clog design with a detachable back strap.

##### Steelite™ Microfibre

The Steelite Microfibre Food and Medical Industry products are manufactured from high quality microfibre, which is water resistant and machine washable. The single density polyurethane outsole has been developed to self-clean which prevents cross contamination whilst providing excellent slip resistance.

##### Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.
