Product information

Slip on boot style with padded collar for added support. Excellent fit for all day comfort and a steel toecap to keep your feet safe. Ideal for the medical and food industries.

Steelite™ Microfiber

The Steelite Microfiber food and medical industry products are manufactured from high quality microfiber, which is water resistant and machine washable. The single density polyurethane outsole has been developed to self-clean which prevents cross contamination whilst providing excellent slip resistance.

Foot Protection

Innovation, quality components, styling and expert construction define the Portwest footwear collections.
