Glowtex

Portwest Glowtex® Triple Technology uses the latest innovation in light emitting technology. This ensures the wearer achieves the highest level of protection in high visibility apparel. Glowtex Triple Technology garments incorporate 3 fundamental properties: 1. Brightly colored fluorescent background fabric for complete conspicuity in daylight. 2. Very high performance HiVisTex retroreflective tape which bounces light back to the source and allows for superior visibility of the wearer in all weather conditions. 3. Light emitting Glowtex phosphorescence tape which accumulates the light in well lit places and emits light in very low or no light conditions – i.e. it glows in the dark. Lasts up to 6 hours once illuminated.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.

Standards

AS 4602.1 Class D/N
EN ISO 20471 Class 2
RIS-3279-TOM Issue 1 (Orange Only)
ANSI/ISEA 107 TYPE R CLASS 2
