

HA21 - Hi-Vis Hard Hat Brim with Neck Shade

Collection: High Visibility Accessories
Range: Equipment
Materials: 100% Polyester
Outer Carton: 100

Product information

Hi-Vis Hard Hat Brim with Neck Shade is designed to protect you from the harsh sun light while on job sites lacking other forms of shade. The brim is made with UV stabiliser polypropylene material adding extra protection against sun rays while using breathable fabric. It features hook & loop straps for secure attachment and it is suitable for cap and full brim style hard hats.

High Visibility Accessories

Portwest's range of high visibility accessories have been designed to complement our extensive range of high visibility clothing and PPE, to enhance visibility and offer additional protection to the wearer.

Features

- UV stabilised polypropylene
- Blocks sun from face and neck
- Suitable for caps and full brim hard hats
- Hook and loop strap for safe secure fit
- AS/NZ 1906.4 certified fabric for extra visibility
- Lightweight and comfortable
