Product information

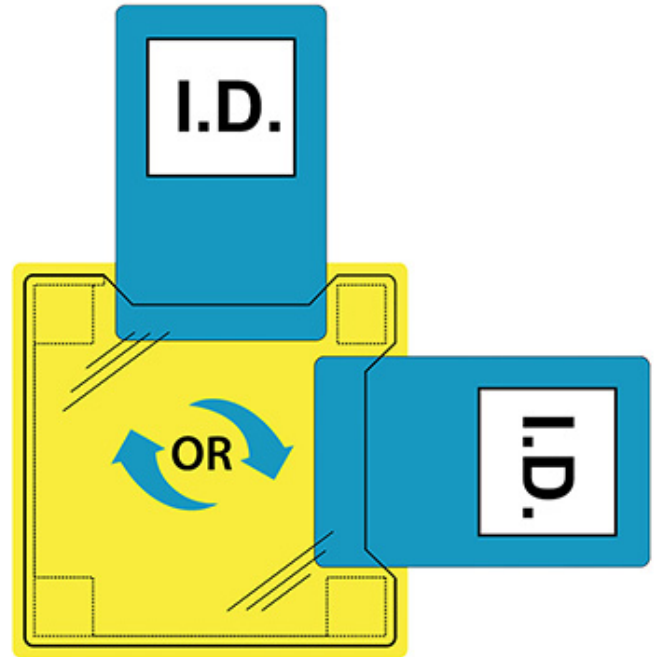

Dual orientation ID holder can be sewn on garment to hold a portrait or a landscape identification badge. Diverse positioning options include an ability to be placed on the left or right chest whilst still providing ease of access and use.

Vest-Port

The Vest-Port™ extensive range of vests covers the varied demands of the work environment from core styles to the revolutionary "Executive" design, which is now available in both summer and winter weights.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.

Features

- Dual ID holder allows use of both portrait and landscape ID card display
