Product information

This highly flame resistant jacket is ideal for outdoor use. Fully lined and shower proof the Welder Jacket is extremely durable and exceeds a range of European and Australian standards. The high quality reflective tape offers enhanced visibility.

Huski Flame Resistant

The Huski Flame Resistant collection offers outstanding protection for hazardous environments. This state of the art collection has been constructed and tested to the highest Australian safety standards.

Huski

Huski branded products are synonymous with premium quality and high function and are made especially for tough Australian working conditions. We use the finest fabrics and trims to produce high quality garments that are hardwearing, robust, easy to wear and look great.
