Product information

The KX3 Holster Denim Trouser offers a durable and comfortable alternative to our workwear trousers with removable holster pockets to take you from work to leisure. The added stretch allows the wearer to flex, bend and move with full comfort. Oxford fabric reinforcement at key abrasion points.

KX3

Portwest KX3™ is a superior line of trend-led apparel combining quality construction to the highest standards and technical fabrics. Key characteristics within this collection include abrasion resistance, moisture management and stretch fabrics for sustained agility and effortless movement. All KX3 garments have been designed to fully complement each other to allow a personal layering system to be built. A perfect solution for modern workwear.

Workwear

Portwest workwear offers a range of designs and features suitable for many end uses. Quality fabrics and construction techniques are used guaranteeing comfort and safety. Tested to withstand the rigours of everyday wear each garment has been carefully designed and manufactured to ensure optimum quality at the best price.
