Product information

These women's leggings allows for freedom of movement while the reinforced ripstop stretch panelling at the knees provides durability and comfort. Perfect for a range of activities such as warehouse and utilities. The high waisted fit means that they will not slip down, even with heavy pockets. Additional details such as the side pockets provide excellent storage.

KX3

Portwest KX3™ is a superior line of trend-led apparel combining quality construction to the highest standards and technical fabrics. Key characteristics within this collection include abrasion resistance, moisture management and stretch fabrics for sustained agility and effortless movement. All KX3 garments have been designed to fully complement each other to allow a personal layering system to be built. A perfect solution for modern workwear.

Workwear

Portwest workwear offers a range of designs and features suitable for many end uses. Quality fabrics and construction techniques are used guaranteeing comfort and safety. Tested to withstand the rigours of everyday wear each garment has been carefully designed and manufactured to ensure optimum quality at the best price.
