

### MV46 - Hi-Vis Modaflake Trousers

**Collection:** Modaflake™

**Range:** Flame Resistant Multi-Norm

**Shell Fabric:** Modaflake Work HV: 60% Modacrylic, 39% Cotton, 1% Carbon Fibre

**Outer Carton:** 18

#### Product information

Conforming to multiple EN standards, these trousers offer ideal protection against exposure to industrial hazards. The elasticated back waist allows for freedom of movement and ensures the garment sits comfortably. Outstanding features include two tier knee pad pockets, adjustable leg length for added convenience and triple-stitched seams for extra durability.

#### Modaflake™

Garments can be layered to achieve an overall Arc Thermal Performance Value (ATPV) or Energy Break open threshold (Ebt) Rating. For example, thermals may achieve an Ebt of 4.3 cal/cm<sup>2</sup>, and an outer coverall may achieve an ATPV of 13.6cal/cm<sup>2</sup>. However the combination ATPV will be greater than the sum of the two single layers, as the air gap between the two layers affords the wearer additional protection.

#### Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.

#### Standards

EN ISO 11612 (A1+A2, B2,C1,F1)

EN ISO 11611 Class 1 (A1+A2)

EN 1149 -5

#### Features

- Inherent flame resistant qualities will not diminish with washing
- Protection against radiant, convective and contact heat
- Multiple utility pockets providing ample storage
- Adjustable hem to accommodate all leg lengths
- Durable, strong and long lasting brass zips
- Triple-stitched seams for extra durability
- Elasticated back waist for a secure fit
- 9 pockets for ample storage
- Sew on flame resistant industrial wash tape
- Two tier knee pad pockets allowing two positioning options
- 40+ UPF rated fabric to block 98% of UV rays
