

P418 - Auck Kit

Collection: Respiratory Protection

Range: PPE

Materials: TPE

Outer Carton: 24

Product information

Ready to use kit composed of one medium P410 Auckland Half Mask and two P970 Combination Filters (ABEK1P3 Protection). The P410 Half Mask has an excellent fit and is extremely comfortable for long periods of use. The twin filters help to balance the weight without impeding on the wearers vision. This kit is ideal for those working with pesticides.

Respiratory Protection

The Portwest industrial range of disposable and reusable respirators includes Half Masks and Full Face Masks designed to offer the most comfortable and best fitting products in the marketplace. Conforming to EN standards EN149 (Particulate Filtering Half Masks), EN140 (Half Masks) and EN136 (Full Face Masks). Complete with a full range of interchangeable filter options on the Half and Full Face Mask styles. EN14683 (Medical Masks) and 2 or 3 layer Fabric Face Coverings with antibacterial styles are also available within the range.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.
