

P431 - Silicone Half Mask

Collection: Respiratory Protection

Range: PPE

Materials: Silicone

Inner Pack: 1

Outer Carton: 8

Product information

Premium Half Mask manufactured from high quality silicone for exceptional fit and comfort. Dual bayonet filter connection provides excellent weight balance and a wide field of vision. ABS filter holders with frontal exhalation valve. The support harness is attached to the rigid body of the mask. Therefore it does not mark the users face and ensures a more uniform fit. Available in 2 sizes for the optimum fit. Quick and simple to disassemble for cleaning. Filters sold separately.

Respiratory Protection

The Portwest industrial range of disposable and reusable respirators includes Half Masks and Full Face Masks designed to offer the most comfortable and best fitting products in the marketplace. Conforming to EN standards EN149 (Particulate Filtering Half Masks), EN140 (Half Masks) and EN136 (Full Face Masks). Complete with a full range of interchangeable filter options on the Half and Full Face Mask styles. EN14683 (Medical Masks) and 2 or 3 layer Fabric Face Coverings with antibacterial styles are also available within the range.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.
