

P441 - ABEK1P3 Ready to use Half Mask

Collection: Respiratory Protection

Range: PPE

Materials: TPE

Inner Pack: 1

Outer Carton: 10

Product information

Ready to use and maintenance free Half Mask with integrated filters. Manufactured from durable and flexible thermoplastic rubber. Compact design ensures optimal weight balance and a wide field of vision. Ergonomic head harness reduces pressure and provides maximum wearer comfort. Drop-down head strap design allows easy removal. Supplied in a resealable retail bag for hygiene.

Respiratory Protection

The Portwest industrial range of disposable and reusable respirators includes Half Masks and Full Face Masks designed to offer the most comfortable and best fitting products in the marketplace. Conforming to EN standards EN149 (Particulate Filtering Half Masks), EN140 (Half Masks) and EN136 (Full Face Masks). Complete with a full range of interchangeable filter options on the Half and Full Face Mask styles. EN14683 (Medical Masks) and 2 or 3 layer Fabric Face Coverings with antibacterial styles are also available within the range.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.

Features

- High performance exhalation valve to reduce heat and provide comfort when used in hot and humid conditions
- New style
- Ready to use and maintenance free
- Drop-down head strap design allows easy removal
