

P500 - Vienna Full Face Mask

Collection: Respiratory Protection

Range: PPE

Materials: Thermoplastic Rubber, Polycarbonate, ABS

Inner Pack: 1

Outer Carton: 4

Product information

Full Face Mask with dual bayonet filter connection and ABS filter holders. Polycarbonate visor offering panoramic vision. Adjustable ergonomic harness with 6 fast release buckles attached to the rigid body of the mask which guarantees a more uniform seal to the users face. Filters sold separately.

Respiratory Protection

The Portwest industrial range of disposable and reusable respirators includes Half Masks and Full Face Masks designed to offer the most comfortable and best fitting products in the marketplace. Conforming to EN standards EN149 (Particulate Filtering Half Masks), EN140 (Half Masks) and EN136 (Full Face Masks). Complete with a full range of interchangeable filter options on the Half and Full Face Mask styles. EN14683 (Medical Masks) and 2 or 3 layer Fabric Face Coverings with antibacterial styles are also available within the range.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.
