Product information

The contrast Bib & Brace is made from durable, comfortable cotton rich fabric. The external polyester finish provides increased wear and tear properties while the internal cotton lining provides maximum comfort. A spacious and secure bib pocket, together with durable knee pad pockets, add to the convenience of this winning garment. A back elastic panel provides added comfort for the wearer.

High Visibility Workwear

Combining safety and style, fabrics within our hi-vis workwear ranges are made from a premium durable polyester/cotton. These fabrics offer variations in weight and composition. The bright fluorescent capabilities of Portwests fabrics combined with the garments retro reflective stripes offers the highest possible visibility in poor light or adverse weather conditions.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
