Product information

Premium goggles with chin guard for enhanced eye and face protection. Designed to shield you from liquid droplets, large dust particles, molten metal, and hot solids, this complete set is a must-have for safety in hazardous environments. The chin guard can be conveniently flipped up into stand-by mode when not in use, and features adjustable ventilation holes via a slider for maximum comfort. Plus, our indirect ventilation goggles are suitable to wear over most prescription glasses, ensuring that you stay protected no matter what.
