PS25 - Safety Readers

Collection: Eye Protection Range: PPE Materials: Polycarbonate, TPR Inner Pack: 12 Outer Carton: 144

Product information

Safety readers with three common dioptre strengths (+1.5, +2.0, and +2.5) to meet your specific vision needs. Stylish design that features dual-colour side arms that colour match to Portwest garments. To ensure maximum comfort, our safety readers are designed with a soft nose piece that won't cause discomfort or irritation. The anti-slip temple tips keep the eyewear securely in place, even during strenuous activities. Additionally, an anti-fog lens coating prevents fogging, ensuring clear vision at all times. The perfect combination of style, comfort, and functionality.

Eye Protection

PORTWEST® eye protection range includes spectacles, safety goggles and visors, designed to protect the eyes and face of workers from injuries which may occur during working activities. TECHNICAL SPECTACLES: High performance and cutting edge styles. SPORT SPECTACLES: Light weight and modern design. CLASSIC SPECTACLES: Essential PPE safety eyewear styles.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.
