Product information

Lightweight Ear Defenders in high-visibility colour. Fold to palm size preventing external contamination.

Ear Muffs

Portwest's hearing protection range includes PPE with different level sound attenuation, to be adapted to various working environments giving the correct protection from dangerous noise, without isolating the workers. This new range of earmuffs offers a variety of models and colours allowing a personalised choice. An updated range of earplugs complete our competitive and performing offer.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.

Standards

AS/NZS 1270 (SLC(80) 31dB - Class 5)
EN 352-1 (SNR 30dB)
