

PS63 - Height Endurance Vented Helmet

Collection: Head Protection

Range: Head Protection

Materials: ABS

Outer Carton: 6

Product information

Our premium Height Endurance Helmet is available in a vented version, for extra air flow. Light, comfortable and compact, this peak-less helmet is designed to be used when working at heights as it allows for an unrestricted upward vision. Clever features include an ABS shell, 6-point textile suspension harness, wheel ratchet adjustment, size 52-63cm. Technical sweatband and 4-point chin strap (Y style) with a soft rubber chin protector included.

Head Protection

Portwest's head protection range aims to benefit our customers by combining the most up to date styles and standards in head protection, irrespective of job or location. Innovative, comfortable and lightweight helmets available for multiple uses.

Standards

EN 397 (-30°C / +50°C)

ANSI/ISEA Z89.1 TYPE I (Class C)
