

PRODUCT SPECIFICATION & TECHNICAL DATASHEET

PS80 - Integrated Visor Helmet

Collection: Head Protection **Range:** Head Protection

Materials: ABS, EPS (Expanded Polystyrene),

Polycarbonate **Outer Carton:** 4

Product information

Introducing our innovative and stylish safety helmet, equipped with an integrated visor for convenient use. The visor can be easily pushed back into the helmet shell, ensuring safe stowing when not in use. With dual certification (EN 397 and EN 12492), this helmet offers flexibility and versatility with two chin strap options. The ventilated helmet shell allows for optimal airflow, providing a cooling effect during wear. Inside the shell, EPS foam enhances comfort and ensures enhanced safety.

Head Protection

Portwest's head protection range aims to benefit our customers by combining the most up to date styles and standards in head protection, irrespective of job or location. Innovative, comfortable and lightweight helmets available for multiple uses.

Standards

EN 397 (-30°C/+50°C, LD) EN 12492 EN 166 (1 S)
