

PS82 - Height Endurance Expert C Helmet

Collection: Head Protection

Range: PPE

Materials: ABS Plastic Shell, EPS (Expanded Polystyrene)

Outer Carton: 4

Product information

Popular climbing style helmet that meets ANSI/ISEA Z89.1 Type II Class C requirements. This addition to the PORTWEST Height Endurance head protection line features a high-performance ABS helmet shell with inner foam liner and a Y-style chin strap inclusive. Type II helmets help to reduce the force of impacts not only to the top but also the side of the head and make it an excellent all-round choice of head protection. The vents in the helmet shell help to reduce heat by allowing hot air to escape.

Head Protection

Portwest's head protection range aims to benefit our customers by combining the most up to date styles and standards in head protection, irrespective of job or location. Innovative, comfortable and lightweight hard hats available for multiple uses.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.

Standards
