

PS97 - Arc flash visor class 2

Collection: Eye Protection

Range: PPE

Materials: Polycarbonate

Outer Carton: 6

Product information

The innovative True Colour Grey (TCG) arc flash face shield features a patented nearly clear technology that allows a maximum colour acuity while performing common electrical work tasks. Double certified in accordance with European and North American standards. It includes the TCG G2 shield extenders, lower chin guard anti-scratch and anti-fog coating and attachment clips.

Eye Protection

PORTWEST® eye protection range includes spectacles, safety goggles and visors, designed to protect the eyes and face of workers from injuries which may occur during working activities. TECHNICAL SPECTACLES: High performance and cutting edge styles. SPORT SPECTACLES: Light weight and modern design. CLASSIC SPECTACLES: Essential PPE safety eyewear styles.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.
